

## Fortunately, unfortunately

You're going to tell a new story with your Buddy, each adding a sentence at a time. This is just a quick game and doesn't have to connect to the story you started last week.

The first person starts the story with a simple statement, like:

**A spaceship landed on earth.**

Then you take it in turns to develop the story by adding a sentence at a time, alternating the words '**Fortunately**' and '**Unfortunately**' at the start of each sentence:

With each new sentence added, there will be a new twist or turn to the story! When you can't think of any more twists, finish the story off on a positive note with a '**Fortunately...**'
